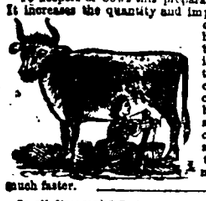
FOUTZ'S
CELEBRATED
Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly invigorate broken down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, FOUNDER LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite, gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment to increase the quantity of milk and cream twenty per cent. and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.



In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Price 25 Cents per Paper, or 5 Papers for $1.

GETTYSBURG, PA.:
Monday Morning, Sept. 17, 1866.

Beecher and Tyng with the President!

LETTER FROM MR. BEECHER.

Henry Ward Beecher has always been regarded as one of the most brilliant luminaries of the Republican party. He was, indeed, one of its founders, and has talked, lectured, preached and written more for it than any other man in the country. His church in Brooklyn was one of the principal recruiting stations of the Kansas Emigrant Aid Society, where preaching of the gospel was mingled with praises of Sharpe's rifles and Dupont's powder.

During the war, Mr. Beecher gave tone to the whole "loyal" pulpit of the country. His appeals were addressed to the religious feelings and sentiments of earnest church people and upon these he made a strong impression, carrying them by thousands into the Republican ranks, and inspiring them with his own active zeal in the anti-slavery cause.

Mr. Beecher having accomplished the object he had so long and steadily kept in view and labored so earnestly to effect the Abolition of Slavery, has cast out the spirit of hostility to the South that formerly seemed to animate him, and is now advocating the policy of forgiveness and conciliation. He has written a letter expressing his *"hearty wish for the success of all conventions, of what party soever, whose object is the restoration of all the States late in rebellion to their Federal relations."* We annex a few paragraphs from this letter, (not having room for the whole,) and hope that Republican preachers and parishioners will read them, so that they may know the present views of the great political and religious teacher they have followed so long. Mr. Beecher says:

The Federal Government is unfit to exercise minor police and local government, and will inevitably blunder when it attempts it. To keep a half score of States under Federal authority, but without national ties and responsibilities; to oblige the central authority to govern half the territory of the Union by Federal civil officers and by the army, is a policy not only uncongenial to our ideas and principles, *but pre-eminently dangerous to the* spirit of our Government. However humane the ends sought and the motives, it is, in fact, a course of instruction, preparing our Government to be despotic, and familiarizing the people to a stretch of authority which can never be other than dangerous to liberty.

I am aware that good men are withheld from advocating the prompt and successive admission of the exiled States by the fear chiefly of its effect upon parties and upon freedmen.

It is said that if admitted to Congress the Southern Senators and Representatives will coalesce with Northern Democrats and rule the country. Is this nation, then, to remain dismembered to serve the ends of parties? Have we learned no wisdom by the history of the last ten years, in which just this course of sacrificing the nation to the exigencies of parties plunged us into rebellion and war? * * *

I hear with wonder and shame and scorn the fear of a few that the South once more in adjustment with the Federal Government will rule this nation! The North is rich—never so rich; the South is poor—never before so poor. The population of the North is nearly double that of the South. The industry of the North, in diversity, in forwardness and productiveness, in all the machinery and education required for manufacturing, is half a century in advance of the South.—Churches in the North crown every hill, and schools swarm in every neighborhood; while the South has but scattered lights, at long distances, like lighthouses twinkling along the edge of a continent of darkness. In the presence of such a contrast, how mean and craven is the fear that the South will rule the policy of the land! That it will have an influence, that it will contribute, in time, most important influences or restraints, we are glad to believe. But if it rises at once to the control of the Government it will be because the North, demoralized by prosperity and besotted by groveling interests, refuses to discharge its share of political duty. In such a case the South not only will control the Government, but it ought to do it.

It is feared, with more reason, that the restoration of the South to her full independence will be detrimental to the freedmen. The sooner we dismiss from our minds the idea that the freedmen can be classified and separated from the white population, and nursed and defended by themselves, the better it will be for them and us. The negro is part and parcel of the Southern society. He cannot be prosperous while it is unprosperous. Its evils will rebound upon him. Its happiness and reinvigoration cannot be kept from his participation. The restoration of the South to amicable relations with the North, the reorganization of its industry, the reinspiration of its enterprise and thrift will all redound to the freedmen's benefit. Nothing is so dangerous to the freedmen as an unsettled state of society in the South. On him comes all the spite and anger and caprice and revenge. He will be made the scapegoat of lawless and heartless men. Unless we turn the Government into a vast military machine there cannot be armies enough to protect the freedmen while Southern society remains insurrectionary. If Southern society is calmed, settled, and occupied, and soothed, with new hopes and prosperous industries, no armies will be needed. Riots will subside, lawless hangers on will be driven off or better governed, and away will be gradually opened up to the freedmen, through education and industry, to full citizensnip, with all its honors and duties. * * *

It is fit that the brave men, who, on sea and land, faced death to save the nation, should now, by their voice and vote, consummate what their swords rendered possible.

For the sake of the freedmen, for the sake of the South and its millions of our fellow-countrymen, for our own sake, and for the great cause of freedom and civilization, I urge the immediate reunion of all the parts which rebellion and war have shattered.

REV. DR. TYNG.

Rev. Stephen H. Tyng, another of New York's most prominent Republican preachers, also comes out for the Union. In a published letter he says:

I have read with great delight Mr. Beecher's unanswerable letter, and desire to thank him for the fidelity and power with which he has accomplished so good a work. I shall honor the soldiers and sailors of the nation if they give their cordial and united support to the sound and healthful principles which he proclaims and sustains. It will be a glorious result, if the people of the land unite with them in the universal determination, that union, liberty, and generous interpretation and action shall end all the controversies of the day in which we live, in the immediate and complete reconstruction and combined establishment of our whole nation as one harmonious and prospering people.

That a conquering army should desire this seems but accordant with the spirit of a generous victor. That they should assemble in a peaceful fellowship to avow and to promote it, is but exercising their rights as citizens and fulfilling their obligation as intelligent leaders of their fellowmen; and that ministers of a religion of peace and good will should sustain and *encourage a purpose* and movement so honorable to the nation, would appear to be the plainest dictate of duty in the position which they sustain and relations to the people among whom they dwell.

I cannot refuse, therefore, to approve and endorse the meeting which is proposed, [the Johnson Soldiers' Convention at Cleveland,] or the platform on which it avows itself to stand.

JACK HAMILTON'S RECORD.

Jack Hamilton, the "shining light" of the "Loyal Southerners" convention, was brought into Pennsylvania by No-Prefix Geary, to tell decent white men how to vote. Among other charges made by the Hamilton (Texas) *Telegraph* against Jack are the following. Whoever has seen the fellow will not question the charges:

We knew him when, as a boy, we used to attend at the circuit court in Randolph and other counties in Alabama. He was then a young lawyer of some promise in the way of ability, but not much in the way of moral character. He came to Texas about 1848, and settled in La Grange. About 1849 or 1850, a Mr. Conkwright was assassinated in La Grange. Dr. Conkwright, the brother of the murdered man, published a pamphlet, and circulated it all over the State, boldly charging Hamilton with having seduced his brother's wife, and with having procured the murder of her husband in consequence. This charge Hamilton has never publicly denied; but he afforded circumstantial proof of its truth by leaving La Grange and removing to Austin. Dr. Conkwright, we believe, is still living in the State, and we call upon him, or any others who have them, to furnish us a copy of the above named pamphlet.

After removing to Travis county, he was elected to the Legislature, and while there was openly, repeatedly, and persistently charged by Judge Hancock with bribery and perjury in the exercise of his office as a member of the Legislature. To this charge he made no reply.

A negro woman whom he had brought from Alabama when very young, and held as a slave, and who claimed to be free, and who, upon investigation, proved to be free, he whipped so cruelly that she sought refuge in the house of Mr. Aaron Burleson, who still lives in Travis county. When examined, her back was found to be one livid mass of blood and bruises, her clothes were so glued to her back that they could only be removed by the aid of soap and water, and when removed the worms were found to be living and working in her flesh. The woman was not allowed to return to him, but came into court and chose her own master, according to the laws of Texas, Hamilton not daring to resist.

In 1853 he ran for the Legislature again, and was beaten by J. W. Banks, Esq., on the openly alleged charged that he was in the habit of whipping his wife.

So much for his private character for the present.

WHAT CHANGED CURTIN.

The fanatics and disunionists are making no little fuss over the fact that Governor Curtin has swung round and is now warmly applauding Stevens and other abolition traitors. Curtin some two months since when in this place was a warm friend of President Johnson. At that time he expected an appointment as Minister Plenipotentiary to Italy, and because he did not get that position, he now turns on the President, and like the whole pack of disappointed office seekers, eases his disappointment by vilifying him. So great was his anxiety for the appointment, that he requested a Democratic friend of ours to ask us to say nothing through the *Watchman*, in regard to his position as a friend of the President, for *fear* the radical papers would raise a howl about it, and the fanatics in the Senate refuse to confirm his appointment if made. He asserted *positively* that it "was only Stevens and that class of men who were keeping our country divided and in trouble." *These are facts and we stand prepared to prove them.* So the radicals can thank Johnson for having Curtin on their side. Had he got the position he wanted, he would be what they now style, a "Copper-Johnson" politician. Such are the principles of Andrew Curtin.—*Bellefonte Watchman.*

☞When John W. Geary was Governor of Kansas the Radicals charged him with being in league with the border ruffians. They alleged that he enlisted and took into United States pay four companies of militia composed of floating border ruffians, and placed them under command of the filibuster Titus. They also charged that gangs of border ruffians burned, pillaged and murdered in the vicinity of Osawattomie, and Geary would not permit the inhabitants to arm in self-defense. All this they charged against General Geary, and yet he is now their candidate for Governor.—*Age.*

☞A few weeks ago the Disunion trustees of the Dayton, Ohio, Cemetery, refused to allow a marble slab to be placed over the grave of Mr. Bollmyer, the late editor of the Dayton *Empire*, who was murdered by a "loyal" Abolition assassin; because it contained the following inscription: "Fell by the hand of an assassin—a martyr to the freedom of speech and of the press." They feared it might offend the assassin, who had been acquitted by a "loyal" jury against every principle of law and justice.

☞No man need err in this contest. Support Congress and you sustain disunion, attack the government and elevate the negro at the expense of your own race. Support the President and you restore the Union, preserve your government, and protect the white man. On the one side are Stevens, Sumner, agitation and disunion. On the other, the President, the Union, peace and order.

PRESIDENT JOHNSON AT ST. LOUIS.

He Makes a Telling Speech.

The Presidential party was received at St. Louis with great enthusiasm. President Johnson, in response to the earnest calls of the people, made a speech, and as it was one of the most telling made on the route, we extract several of the most pointed parts.

Some Radical in the crowd sung out "New Orleans!" to which the President promptly responded:

Perhaps if you had a word or two on the subject of New Orleans, you might understand more about it than you do, (laughter), and if you will go back and ascertain the cause of the riot at New Orleans, you would not be so prompt in calling out New Orleans. If you will take up the riot at New Orleans, and trace it back to its source, or to its immediate cause, you will find out who was responsible for the blood that was shed there. If you will take up the riot at New Orleans and trace it back to the Radicals' Congress, (cheers and cries of "Bully,") you will find that the riot was substantially planned. If you will take all the proceedings in their caucuses, you will understand that they then knew (cheers) that a Convention was to be called, which was extinct by its power having expired, and the intention was, that a new government was to be organized, and in the organization of that government the intention was to enfranchise one portion of the population, called the colored population, who had just been emancipated, and at the same time disfranchise white men. When you deign to talk about New Orleans you ought to understand what you are talking about. When you read the speeches that were made, or take up the facts on the Friday and Saturday before that Convention sat, you will there find that speeches were made incendiary in their character, exciting that portion of the population—the black population—to arm themselves and prepare for the shedding of blood. [A voice, "That's so," and cheers.] You will also find that that Convention did assemble in violation of law, and the intention of that Convention was to supercede the recognized authorities in the State government of Louisiana, which had been recognized by the government of the United States, and every man engaged in that rebellion, in that Convention, with the intention of superseding and upturning the civil government which had been recognized by the government of the United States, I say that he was a traitor to the Constitution of the United States (cheers), and hence you find that another rebellion was commenced, having its origin in the Radical Congress. These men were to go there, a government was to be organized, and the one in existence in Louisiana was to be superseded, set aside, and overthrown. You talk to me about New Orleans, and there the question was to

Democrats and Conservatives of Adams, prepare for an immense demonstration.

Major General SLOCUM has been invited, and may be expected.

JOHNSON, CLYMER,

An Undivided Union, and a Preserved Constitution!

All who oppose the Radical Republicans in their infamous schemes to divide and disrupt the Federal Union; all who oppose the odious heresy of taxation without representation; all who oppose that hateful batch of reckless legislation known as the Civil Rights Bill, Freedmen's Bureau, Negro Suffrage and Negro Equality; and are in favor of the Restoration policy of President Johnson, with its crowning results in National Peace and National Prosperity—and in favor of upholding his Conservative Administration as opposed to a Radical Disunion Congress; all in favor of a White Man's Government and the supremacy of the White Race; and in favor of Lower Taxes and National Retrenchment—are cordially invited to the following meetings, each of which will be addressed by several speakers:

At Francis Bream's, in Cumberland township, on MONDAY EVENING, Sept. 17th.

Soldiers, *vote the way you shot—for the Flag, the Union and the Constitution!* Beat back the weakening columns of the Radical wing! Stand by the President and the Union!

FREEMEN, RALLY, for your country and your race! W. A. DUNCAN,
Chairman Democratic County Committee.
Sept. 17, 1866.

THE DEMOCRATIC MEETINGS.

The Democratic Woods Meeting in H. J. Myers's Grove, on the banks of the Conowago, near New Chester, on Saturday afternoon next, promises to be a grand affair. Judge Hepburn, of Carlisle, W. S. Stenger, Esq., of Chambersburg, and others, will address it. The speaking will commence at 1 o'clock in the afternoon.

A number of other meetings are called—and more will follow. Let the friends of Johnson and Clymer throughout the county rally in their strength, and show by their large and enthusiastic turn outs at these meetings, that they are in *earnest* in the stand they have taken for the Union, the Constitution, and a White Man's Government as our forefathers made them.

WARNING TO ELECTION OFFICERS.

The Bellefonte (Centre county) *Watchman*, of the 7th instant, records the conviction of two members of the Election Board of Snowshoe township, in that county, for illegally refusing the vote of an alleged deserter at the election in October, 1865. Thus, while the Radical leaders at Harrisburg are sending out lists of alleged deserters, and instructing their friends on the various Election boards throughout the State not to permit these persons to vote, *the Court of Curtin's own county*, presided over *by a Republican Judge*, convicts two election officers for refusing to receive the vote of an alleged deserter. It is a pity that the chiefs among the Radicals cannot be indicted and convicted along with their poor tools on the Election Boards, but if these latter *will* be dupes and victims, let them suffer.

HOW THEY GRADE THEM.

For three years' service in the battle field an Abolition Congress voted white veterans $100 bounty, negroes $300, and themselves, for drinking whiskey, preventing a restoration of the Union and squandering the people's money for seven months, $5,000. So they have made the scale, Congressman first, nigger next, white soldiers last.

☞Gen. Berdan, who commanded the celebrated sharpshooters of that name during the war, is an ardent supporter of President Johnson.

THE AMENDMENT "SHAKE."

That the Radicals intend to *cheat* the people, by mis-stating the real purpose of the proposed Amendment to the Constitution of the United States, can no longer be doubted. They *know* that Negro Suffrage is at the bottom of it, but fearing the effect of like knowledge upon the masses, give the Amendment a different construction, and hope thus to blind the public until *after the election.*

We reprint the first section, as follows:

"ARTICLE —, *Section* 1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States, and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States. Nor shall any State deprive any person of life, liberty, or property, without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws."

Observe: the section declares that "ALL persons born or naturalized in the United States"—without regard to color of course—"are citizens," and "no State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States." These "privileges and immunities" are not intended to include "life, liberty, property, and equal protection of the laws;" for the following sentence says: "*Nor* shall any State deprive any person of life, liberty or property or deny to any person equal protection of the laws." Had those NATURAL and CIVIL RIGHTS been included in the privileges and immunities, the amendment would have stopped without the addenda. To what, then, do the words "privileges and immunities" refer? To such matters *other than* those of life, liberty, property and protection, most undoubtedly; such as go to constitute POLITICAL rights—the privileges of voting, of holding office, of being a juryman, &c.

Another point: "*All* persons *born* or *naturalized*" shall have these "*privileges or immunities.*" Every one knows that naturalization carries with it the right to vote, to sit on juries, and enjoy every right common to an American citizen. It has always been so—is so now. If the Amendment does not mean to deprive naturalized citizens of the privileges they have heretofore had, and now have, does it not mean to give all "*born* in the United States" *the same "privileges?"* The case seems to us to be a very plain one—so plain as to convict any Radical demagogue who shall attempt to pervert it as guilty of the baldest and most insulting trickery.

The people should bear in mind that Geary is in favor of this Amendment—that Koontz and all the Radical county candidates are in favor of it.

These office-hunters may deny that Negro Suffrage is NOW an issue, but their denying it does not make the fact so, and the white men of the county and State should not let them dodge the question. THEY *made it an issue*, and *know* that it *is* an issue NOW, and the man who votes for Geary or any other Radical candidate, votes on the negro side of the issue. Remember, then, that every vote for an advocate of the proposed Amendment, is a vote in favor of making negroes *citizens*, (as *fully* as naturalized persons are citizens, and no one will dispute their right to vote,) and every vote in favor of making negroes citizens is *in favor of negroes voting.* That's the unvarnished truth, as derived from the proposed Amendment itself.

☞The Radicals, *realizing that they* must lose the national offices, are casting around for those of a local character. Hence their extreme anxiety to get the Commissioner and Director Boards. All their talk about "extravagance" means only that they want the patronage, the juries, &c. "That's what's the matter!" Give them these, and they wouldn't care if the expenses became three times as great—indeed they would have to make them so, in order to afford the amount of "stealings" which Radicals have, during the war, educated themselves up to needing.

But the people of Adams county are not any more likely to trust these thieving demagogues now than heretofore. The party which *has caused the high prices* necessitating such increased expenditures on the part of public officers, is *not* the one to be trusted with the care of the people's money to the extent of a single dollar. Having squandered by the million, the taxes now gathered from the people of this county would hardly make a mouthful for them. Voters understand this, and will let well enough alone.

☞The Radicals held a meeting at the Court-house on Monday evening. It was a slim affair. Koontz was not on hand (reported ill,) and his place was taken by a Connecticut Yankee named Lee, fresh from the Philadelphia Fred. Douglass Convention. He is a poor substitute, even for Koontz—don't understand the issues of the day, and couldn't discuss them if he did. He is not capable of an argument, and is too shallow to do up a plausible falsehood. McPherson felt this, and at the conclusion of Lee's "speech," took the floor, with a view of mending the matter, if possible. But it was up-hill work, and after laboring through a half hour's talk, subsided. The few who remained "to see the thing out," dispersed to their homes, not a whit better informed or more encouraged than when they went there. Radical meetings are a *drag*, notwithstanding the frantic efforts of the leaders to create some interest. The truth is the people now see the "nigger in the woodpile," and don't want him any closer.

☞"General" Collier, one of the Pittsburg Geary leaders, is "in favor of negro suffrage; not only in the South, but in Pennsylvania." He does not favor it as a right, but because "they would always vote right"—which means, of course, that they would vote for Disunion and the darkey. White men, how do you like it?

☞Radical speakers take the ground that the Southern States are not in the Union, thus backing up the very doctrine which the rebels asserted up to Lee's surrender. As President Johnson says, "there are traitors at both ends of the line!"

☞*Come one, come all*, to the CONSERVATIVE MASS MEETING in Gettysburg, on Thursday, October 4th.

PIANO TUNING.—Prof. Bentz, of York, will arrive here to-day, to remain several days. Orders for Piano tuning may be left at the Post Office.

ANOTHER SCREW LOOSE!

We have already noticed the fact that the Huntington *Globe*, an old Republican paper, has *hauled down the Geary flag.* We have now the pleasure of stating that the Shirleysburg *Herald*, of the same county, also a "loyal" paper, refuses to hoist Geary's name, and goes so far as to say:

For ourselves, we have only to say this week, that *it is our determination not to support any part of the Republican District or County Ticket.*

The demoralization of the Radicals is further testified of in the *Herald's* account of the Abolition meeting in Huntington, the Saturday before. It says that the meeting was "orderly and respectable," (of course) "*but* lacked the numbers and enthusiasm which there was reason to expect from the fact of two live Governors being advertised to be present."

There is certainly a *big* screw loose in Huntington county. How much of this kind of defection can the Radicals stand? Verily, their road is beginning to be "a hard one to travel."

☞The Radical leaders are now so hungry for the local offices—being about to lose all in the gift of the National Administration—that they will resort to anything to help them. They will even involve the official fidelity of their own political friends in order to raise a "point" against Democrats.

In talking about the county expenses, they are so regardless of the feelings and characters of Ephraim Myers, Esq., lately in the Commissioners' Board, and Samuel Wolf, Esq., now occupying a seat therein, as to institute a comparison of county expenses between the low times when John Mickley was a Commissioner, and what they have been for the last five or six years, thus trying to prove "extravagance" during the latter period.

Is this fair? Messrs. Myers and Wolf were elected as Republicans, and common decency should have spared them from such assaults by their own party leaders.

These leaders say the expenses were not more than half as great under John Mickley—but they are not candid enough to mention that John Mickley had no new Court-house to pay for, and no *war prices* to meet at every point.

These attacks are as mean as they are groundless, and the Republican Commissioners have no more reason to thank their authors than have the Democratic.

☞Thaddeus Stevens, in his Bedford speech, said:

"*The great issue to be met at this election is the question of negro rights.* I shall not deny, but admit, that *a fundamental principle of the Republican creed is that every being possessing an immortal soul is equal before the law.* They are not and cannot be equal in strength, height, beauty, intellectual and moral culture, or social acquirements; these are accidents which must govern their condition according to circumstances. But in *this Republic the same laws must and shall apply to every mortal, American, Irishman, African, German or Turk.*

There can be no mistaking these utterances. Mr. Stevens "speaks by the card," and puts the issue "fairly and squarely before the people." "*The great issue,*" said he, "*in this election is the question of negro rights.*" The Republicans, he distinctly announced, intend "*to give equal rights to every human being, even to the African.*"

Will the Radical leaders here longer deny that Negro Suffrage is an "issue?"

☞The Radical papers have been telling some very big stories about their gains in Vermont, when the fact is that the gains are all on the other side. Hear what the Burlington (Vt.) *Sentinel* says:

The Democratic gains are very large, though the Republicans have made large, though comparatively much less gains. On the Congressional ballot the Conservative men everywhere have done their work nobly, and thrown a very heavy vote for their own candidate, Waldo Brigham. The vote in this city alone for Brigham was 362, a plurality of 133 over Baxter, and only 25 less than the vote for Romeo H. Hoyt. The reports through the State are as yet meagre. The Radical State ticket is, of course, re-elected entire. Conservative men, however, everywhere, who have heretofore acted with the Radicals of the Republican party, are regarding with favor the Philadelphia platform, and are cordially indorsing the party and the principles of the grand National Union Convention recently held in that city. The Democratic gain in this city over the vote of last year is over 300 per cent., while the Radical gain is a little over 200 per cent.

☞Henry Ward Beecher's letter to General Halpine having created some sensation in his congregation, he has *written another*, justifying the first. He says he is not out of the Republican party, but "took the liberty of criticising its policy in a single point, and of doing what he could to secure what he believed and *still believes* to be a better one." He does not back down from his first letter, and *is not sorry that he wrote it.* He intends to keep straight on, no matter who may follow or who fall off.

☞The man who votes for any candidate upon the Radical ticket—Geary, Koontz, Houck, Reily, Cashman, Crist, Kepner, Coulson, Mickley, Hemler, Snyder or Cress—votes to that *extent* in support of Thad. Stevens and his negro disunion policy, and against the President of the United States, *who is the true* friend of the Union and a white man's government.

☞Ben. Butler, who is now in such high favor with the Radicals, week before last indicated his preference for Negro Suffrage in this emphatic manner:

Had the negro not been armed, the result would have been far different. We armed him with the musket when he was fit to use it; *shall we not arm him with the ballot?*

☞Judge Hiestand, of New Orleans, thus addressed the Radicals at a Geary and negro-suffrage meeting in Philadelphia week before last:

The question of universal suffrage will have *to be* discussed and finally adopted; and I advise you in the coming contest not only to prepare your ballots, but bullets, for the storm *which is brewing.*

What say the Radicals hereabouts to *such* an "issue?"

☞The Radicals who boast about electing their county ticket, either don't know anything of the county, or—don't care what they say.

Our prospects never were better. The Democratic ticket is popular, and stands *on correct* principles—*white* principles. Can it be possible that negroism shall prevail against it? No—not by long odds.

THE PATRIOTS AND HEROES FOR JOHNSON.

The following true, tried and gallant soldiers have all expressed themselves in favor of the President's policy:

GEN. U. S. GRANT,
GEN. WM. T. SHERMAN,
GEN. W. S. HANCOCK,
GEN. GEO. B. McCLELLAN,
GEN. JOHN A. DIX,
GEN. ROBT. PATTERSON,

GEN. GEO. W. CROOK,
GEN. DAN. E. SICKLES,
GEN. J. H. McCLERNAND,
GEN. D. N. COUCH,
GEN WM. B. FRANKLIN,
GEN. G. K. WARREN,
GEN. PHIL. SHERIDAN,
GEN. T. L. CRITTENDEN,
GEN. O. B. WILCOX,
GEN. JAS. C. McKIBBEN,
GEN. FRANK P. BLAIR,
AD'M. FARRAGUT,
GEN. SLOCUM,
GEN. GRANGER,
& 45 other Generals,
& 90 Colonels of the war,
Signers of the call at
Cleveland.

Also the following *prominent men* of the country:

WM. H. SEWARD,
EDGAR COWAN,
HENRY WARD BEECHER,
SEC'S WELLES & RANDALL,
SENATOR DOOLITTLE,
RAYMOND OF THE TIMES,
Chairman of the National Republican Committee, and thousands of others.

Against the President and the Union are Thad. Stevens, John Forney, Beast Butler, Fred. Douglass (the negro,) and their treasonable followers.

☞The Radicals at Indianapolis and Pittsburg, upon the arrival of the President, created such confusion and uproar as to prevent him from speaking. American citizens, remember that the same class of men who thus insulted the President of the United States, willingly heard and warmly applauded the speeches of Fred. Douglass, the NEGRO, at Philadelphia. It is enough to make one blush for his country when such a party is allowed to disgrace it.

CAUTION.

Just about this time the community will be flooded with *incendiary appeals* to the passions and prejudices of the people. These will be found in the radical papers of the day and their electioneering pamphlets. In these, *concocted stories* of great cruelty to the "poor negro" and Union men, perpetrated by the people of the South, will be set forth in glaring colors. The fertile imaginations of the disunionists will be severely tested to furnish political capital for the radicals. We ask the people to beware of these false and wicked stories. It is a well digested *plan of the radical members of Congress*, to divert the attention of the public from their *own criminal acts.* They know that they cannot face their constituents with the record of their votes against themselves. Hence the new cry of the "poor negro" and Union men of the South, &c.

SOLDIERS, WHAT SAY YOU?

Koontz, the Radical candidate for Congress, voted against giving the soldiers bounty. The bill came up for final action on the last day of the session, and among the NAYS stands the name of Mr. KOONTZ. The record cannot be wiped out, or explained away. There is his vote in the NEGATIVE. Soldiers, what say you? Can you vote for *such* a "friend?"

DENY IT, IF YOU DARE.

Will the Radical papers hereabouts please inform their readers that the NEGROES FRED. DOUGLASS and P. B. RANDOLPH were members of the "Loyal" Republican Convention which met in Philadelphia, and that GEN. GEARY was also in the Convention *and occupied a seat on the platform!* Or, if they cannot do this, will they dare to deny that such are the facts. Come, toe the mark.

☞Forney's *Press*, the leading Radical organ at Philadelphia, on Saturday week declared that "*the discussion of negro suffrage is one which cannot be avoided.*" The Radicals will not dare to dispute the authority of the *Press* in such matters, and yet here (in order to HUMBUG uninformed people) they undertake to *ignore* the very issue the discussion of which the *Press* declares "*cannot be avoided.*" Will not the people open their eyes to the base deception by which the Radical leaders of this county are trying to cheat them into adopting negro suffrage and negro equality?

☞From the series of resolutions adopted by the recent disorganizing rioters in New Orleans, we extract the following:

"*Resolved*, That until the doctrine of the political equality of all citizens, *irrespective of color*, is recognized in this State by the establishment therein of *universal suffrage*, there will and can be no permanent peace."

This is the programme of the Radicals throughout the country. For this they seek to perpetuate their power in Congress. Let the people fully understand it.

☞There was a monster Johnson and Clymer meeting held at Pottsville on the 3d inst. The President, General Henry Pleasants, and the Chairman of the Committee on Resolutions, Colonel Frank T. Bennet, both brave officers during the war, were formerly with the Republicans, but have now joined the party of the Union and the Constitution. The enthusiasm was intense, and the speeches up to the full measure of devotion to principle necessary at this crisis in the fate of the nation.

☞Recently the alleged returns of the California election were the subject of immense rejoicing amongst the Radicals. But, like "Wilmington," California sends news to the country which is not much calculated to fill the breasts of the negro-suffragists with joy. On Wednesday a telegram came over the wires making this pleasing announcement for the Radicals:

SAN FRANCISCO, Sept. 10.—Out of the *nine* counties heard from in the recent local elections, *seven* have gone in favor of the Administration ticket.

DEMOCRATS, TEST THEM!

Fellow Democrat, whenever a Radical candidate approaches you for your vote, ask him, "Are you in favor of the Amendment to the Constitution?" If he says "yes," or hesitates, set him down as a rank niggerite at once, and if he says "no," *report the fact to this office immediately.*

☞Let all Democrats be assessed, *at once*, EVERY MAN—especially those who voted on age last year.

☞Rev. Mr. Carlisle will preach in the United Presbyterian Church next Sabbath morning.

THE PEOPLE MOVING!

CLYMER MEETING AT GREEFFENSBURG.

The People are becoming Aroused, because they abhor Negro Suffrage!

The largest meeting ever assembled at Greeffenburg Springs, was held there on Saturday evening week by the friends of Johnson and Clymer. The most decided earnestness in the good cause of the Union and a White Man's Government was manifested by all present. The officers were:

President, Daniel Kuhn.

Vice Presidents, John Cole, Samuel Breckenridge, William Rupert, George A. Corwell, Samuel Bingaman, Hiram Sowers, Amos Martin, Wm. Kuhn, John McKeurick, John Shertzer, John Baughman.

Secretaries, Manoah Carbaugh, Uriah Powell, Jacob Spoonhour, David Myers.

The meeting was addressed by Hon. J. McDowell Sharpe, the Democratic candidate for Congress; Jesse D. Newman, Esq., C. M. Duncan, Esq., W. A. Duncan, Esq., and *H. J. Stahle, after which* it adjourned with thundering and oft repeated cheers for Johnson, Clymer, Sharpe, and the whole Democratic ticket.

AT NEWMAN'S SCHOOL-HOUSE.

The Democratic meeting at Newman's School-house, Mountjoy township, on Thursday evening, was large beyond all expectation, and the most encouraging feeling prevailed. The School-house was perfectly packed with people anxious to hear the truth. The following gentlemen were elected officers:

President, Isaac Lightner, Esq.

Vice Presidents, Moses Hartman, Esq., John Felix, Levi Golden, Jacob Althoff, Pius Fink, Jacob Hartman, Sr., Joseph Arentz, Peter Orndorff, Wm. Sterner, Francis M. Buddy, Jacob Rohrbaugh, Peter Springer.

Secretaries, James Reaver, Ephraim Fiscel, Jacob Hartman, Jr., John Garrich, Wm. Yost.

The meeting was addressed by E. B. Buehler, Esq., Jesse D. Newman, Jacob Klunk and H. J. Stahle, when it adjourned with three rousing cheers for Clymer and the whole Democratic ticket, with an extra one for Andy Johnson.

AT MUMMASBURG.

The Democratic meeting at Mummasburg on Friday evening was a big success. The lower end of Franklin township was out to a man, and Butler sent a handsome delegation. The right spirit prevailed. The officers were:

President, E. W. Stahle.

Vice Presidents, Benjamin Deardorff, James E. Ross, Samuel Hart, James Russell, Esq., Jacob Lentz, Peter D. Miller, C. M. Spahr, Samuel Wolf, H. J. Brinkerhoff, Jacob Eckert, Richard Fitzgerald, Peter Schlosser, Wm. C. Lott, George Lady, Tobias Roth, John Elcholtz.

Secretaries, Abraham Hart, John H. Stahle, Hiram Lady, William Russell, Aaron Wisler, Lieut. S. H. Eicholtz, Joseph Fleck, Emanuel Wisler.

Hon. J. McDowell Sharpe, Hon. F. M. Kimmell and W. A. Duncan, Esq., made speeches, which were received, as they deserved to be, with close attention and warm enthusiasm.

"WHITE BOYS IN BLUE!"

The "White Boys in Blue" had a spirited meeting at the Globe Inn on Thursday evening. After transacting some business, they were addressed by Wm. McClean, Esq., and Adj. J. H. White, on the issues of the day, in an able and unanswerable manner.

The Club resolved to meet twice a week—Tuesday and Friday evenings—at the Globe Inn.

☞The Democratic Woods Meeting at Geiselman's Grove, in Union township, on Saturday last, was a grand and glorious success. There were thousands of people present, from Adams, York and other counties. Proceedings next week.

☞The "White Boys in Blue" will meet at the Globe Inn on Wednesday evening next, instead of Tuesday evening.

Railroad Detention—An Incident.—The Fast Line East, due here at 4.17 Monday morning, did not arrive until 10 o'clock. The cause of the detention was the running over a horse by the locomotive and throwing the hind truck off the track. The passengers were compelled to take breakfast at Mount Joy instead of in Philadelphia. Fred. Douglass, the negro, was on board the train on his way to attend the Philadelphia Convention, as a delegate. One or two of Fred's white brethren wanted to introduce that negro to a prominent hotel keeper in Mount Joy, *but to his credit*, be it said, the hotel man would not permit this familiarity. Fred. then wanted to take breakfast with the white folks, but here again he was snubbed, the landlord stating that "he did not permit negroes *to sit* at his table with white people." *Mister* Douglass took this in high dudgeon. This is the second time that he has been snubbed in a similar manner in the "loyal" county of Lancaster. The other occasion was, some three years since, at a well-known saloon in this city, when he asked for a glass of beer, and was refused. He always finds his proper level in Lancaster.—*Lan. Intel.*

☞The landlord at Mountjoy was a Radical, but the "incident" alluded to he could not stomach. He is now for President Johnson and his *white* man's policy.

☞The Disunionists who affect to believe that if Abraham Lincoln were living he would take the Radical ground of nonrepresentation to the Southern people should remember that, in 1863, he issued instructions to General Steele to hold an election in Arkansas, in which instructions it was provided that the persons elected were to "take the oath to support the Constitution of the United States and the amended Constitution of Arkansas," and were then "at once to be inducted into office." Wasn't that restoration?

GETTYSBURG WATER ABROAD.

The subjoined letter from a distinguished Physician in one of the Atlantic cities to the proprietor of the Gettysburg *Springs*, divested of professional reservations and qualifications, announces that the Gettysburg water has performed in a distant theatre one of its marvellous cures, and that the fact has produced a sensation in the city of "brotherly love." The letter is from the author of the standard work on Mineral Springs, and who has made the study and application of mineral waters a speciality.

It appears, also, that this patient who orders the water is at some other Spring at the present time.

It will not be long, I apprehend, before the proprietors of the Bedford and Saratoga Springs will have to keep Gettysburg water in order to save patients.

PHILADELPHIA, Aug. 27, 1866.

Dear Sir:—A patient of mine has been taking for the last three weeks, under my direction, the Gettysburg water. The case is a complicated one, requiring a variety of active remedies; but I think that the water has been decidedly useful in restoring an almost suspended action of the kidneys. My object in writing now is to ask you to send a carboy of the water of your spring, like the one that I received, to Mr. ——, No. —— street, with a bill for the same. * As the family is out of town and the house is only open for a few hours or so in the morning, the carboy had better be left at my house, No. —— street.

Yours Respectfully, ——

TOWN AND COUNTY AFFAIRS.

FOR THE CAMPAIGN.—The *Gettysburg Compiler* will be furnished from this time until after the October election at TWENTY-FIVE CENTS, *in advance.* We have already added hundreds of campaign subscribers to our list, but will make room for more.

☞Our weekly expenses are heavy and must be met with *cash.* Will not those indebted help us to do so by paying promptly what they owe? We have much need of money at this time.

☞Mr. Samuel Herbst has purchased from Messrs. McConaughy and Horner the property adjoining the Washington Hotel, in Carlisle street, for $1100.

☞Our good Democratic friend, H. B. Cromer, of Cumberland township, has presented us with a basket of very fine peaches. Thanks.

☞Mrs. P. S. Dechert, of Straban township, sends to our office several mammoth Sweet Potatoes, one of them weighing *two and three quarter pounds!* This is a big one among sweet potatoes—as Clymer's majority will be a big one among Governor's majorities.

We have received from Mt. St. Mary's College, near Emmitsburg, two canteleups and two "egg plants" of extraordinary dimensions—one of the former measuring two feet ten inches the long way, and one of the latter two feet seven inches. For these large presents we return large thanks.

ANOTHER GALLANT SOLDIER SPEAKS.

PHILADELPHIA, Sept. 10, 1866.

Brevet Major-General Custer and Chairman Committee, &c.

DEAR SIR: It is impossible for me to leave my business engagements here long *enough to accept* your invitation to attend the Soldiers' Convention at Cleveland next week.

My convictions, however, and my earnest hopes are with you and the objects of the Convention.

The attempt of Southern politicians to destroy our Union in 1861, furnished an opportunity for every loyal man to put himself right on the record, which you and I, and all our brother soldiers, embraced, by enlisting "for the war."

The present attempt of certain Northern politicians to commit similar rebellious acts, by keeping our Union in a condition of hazard and danger, and compelling one portion of our countrymen to submit without voice or representation to the government of another portion—furnishes another opportunity for all loyal Union soldiers to rally for the preservation of the same Union for which we fought as comrades during four long and eventful years.

I wish to be considered as enlisted in the same cause for this war also, and willing to march under the same flag, shoulder to shoulder with any and all who are willing to strike another blow for Peace and Union, whether veteran soldiers or new recruits.

I would even trust a repentant rebel soldier who fought us on a fair field, but is loyally disposed now, rather than the politicians and contractors, who stayed at home and robbed us and government throughout the war, and now have the impudence to ask us to share the government at we have preserved with negroes, in order that they may continue to grow fat on their verbal patriotism.

Let our old comrades all understand the *true* issues which the President is taking in our behalf. Let them understand that the Union for which we fought and suffered, after being as we thought, preserved by our arms, is now being trifled with and endangered by office seekers and politicians for their own selfish ends, and I have no fear but that those glorious lines of blue, which, in the cause and under the flag of "*the Union*," swept triumphantly over all the enemies' positions, will again rally into another mighty Union army, which will this fall sweep before it all foes to our Union, whether traitors of the North or South, or both together, and thus finish with the ballot the great work only commenced with the bayonet. I am, my dear sir, Very truly yours,

ISAAC J. WISTAR,
Late Brig. Gen. Volunteers, U. S. A.

GENERAL GRANT.

The Radicals are sorely troubled about the position of General Grant. They have been trying for some time past to capture him without success. Recently, at Cincinnati, they made a flank movement, which as usual, resulted in their entire discomfiture. The General, it seems, visited Wood's Theater in that city, and while quietly enjoying the performance, a scene occurred which is thus described by the *Enquirer:*

The *boys in blue paraded to the theater.* Eggleston and others ascended the stairs, and Mr. Allen, the manager, was requested *to go and inform General Grant* that there was a crowd of citizens outside who desired to see him. Mr. Allen went into the private box and conveyed the intelligence to General Grant, who replied: "I cannot and will not see them. Please *tell their* commander to come to me." Mr. Allen communicated with the *commander*, T. F. Baker, *who marched* into the theater, and, with others, entered General Grant's private box.

Without giving Captain Baker a moment to say a single word, General Grant approached him, and said in a firm tone:

SPEECH OF GENERAL GRANT.

"SIR: I am no politician. The President of the United States is my Commander-in-chief. *I consider this demonstration in opposition to the President of the United States, Andrew Johnson.* If you have any regard for me, you will take your men away. *I am greatly annoyed at this demonstration.* I came here to enjoy the theatrical performance. I will be glad to see you all to-morrow *when the President arrives.*"

On the trip to Cincinnati, it also appears that Colonel Grant, the father of General Grant, was on board the boat and was warmly received by the President. The Colonel informed the President that he supported his policy, when the President said he was glad to see him and such solid men standing by the Constitution and Union in this hour of peril. The President said he wanted nothing but the Union of the entire States, when Colonel Grant remarked, "I am warmly with you in the effort." The brother-in-law of General Grant, the Rev. M. J. Cramer, was presented during the conversation. After this, can any sane man doubt on which side General Grant stands in this hour of his country's perils?—*Age.*

THE PRESIDENT TO BE IMPEACHED.

Another Civil War Impending.

Advices from Washington state that it is the purpose of the Radicals, should they succeed in the coming elections, TO IMPEACH THE PRESIDENT, and put the President of the U. S. Senate (one of their own number) in the Presidential chair. There is not the least doubt that this scheme is on foot.—Should this be attempted, civil war will be the result and our country will be scourged more terribly than before.

☞The President has returned.

ASTHMA CURED.

Mr. Wm. May, of 25, Spring Street, New York, writes, Jan. 1, 1866: I have been afflicted with asthma for upwards of ten years, receiving no benefit from medical men. I was advised by a friend to try one of Allcock's Porous Plasters. I said, I had tried several kinds of plasters without any benefit, and supposed they were all alike.—My friend gave me one of Allcock's, and urged me to use it. I did so, and have now worn them steadily for nine months, and find myself better than I have been for many years. Agency, Brandreth House, New York. Sold by Druggists.

Cleanse the Blood.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or Kings' Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, protending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

Ayer's Cherry Pectoral is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Prepared by J. C. AYER & Co., Lowell, Mass., and sold by A. D. Buehler, Gettysburg.

NEGRO SUFFRAGE AT LAST.

The Radical National Convention at Philadelphia, has issued an address favoring *"Universal Suffrage!"* Ex-Secretary Speed and other delegates left the Convention. Jack Hamilton swore that if the Convention didn't adopt *"Universal Suffrage"* he wouldn't stump an hour for Geary. So, "Republicans," you have now your national platform. Get on it, or you'll be put out of the party.

Oh, Don't Worry!—Some of our street politicians of the negro-suffrage stripe say Hiester Clymer stands no shadow of a chance to be elected—that he is not popular, and all that. No, he is not popular among them, but fortunately the State is not inhabited entirely by people of their ilk. Their cry that Clymer is not available, will not win. They will hear such voices from the polls in October as will cause their already elongated faces to lengthen to the utmost capacity of their dropping jawbones.

SQUAWK!

Ex-Vice President Hannibal Hamlin made a speech in Gettysburg, in the fall of 1864, in which he said that if he "occupied the Presidential chair he would make copperheads squawk." A few days ago this same Hannibal Hamlin was removed from the office of collector of the port of Boston, and a Union man put in his place. Who squawks now?

☞General Geary says the work of putting down the rebellion is only "half done." Gen. Grant, Gen. Sherman, Gen. Sheridan, Gen. Slocum, Gen. McCook, Gen. Steedman, Gen. Sickles, Gen. Blair, Gen Dix, Gen. Crook, Gen. Meredith, Gen. Ewing, Gen. Rosseau, Gen. Custer, Gen. Couch, Gen. Averill, Gen. Granger, Gen. McClernand, *and a hundred other fighting Generals of the Union army*, declare that *their* work is done—that the rebellion is over—that *peace reigns*, and that the Union *shall* be restored!—Does Geary mean to draw his very valiant sword against such as these?

Three Valuable Farms

AT PUBLIC SALE.—On FRIDAY and SATURDAY, the 12th and 13th days of OCTOBER next, the subscribers, Executors of Jacob Sheely, deceased, will offer at Public Sale, the following Real Estate, viz:

No. 1.—A GOOD FARM, situate in Mountjoy township, Adams county, 3 miles south of Gettysburg, near the Baltimore turnpike, adjoining lands of Andrew Beitler, M. Fiscel, and others, containing 108 ACRES and 53 PERCHES, with a due proportion of Meadow and Woodland. The farm is beautifully located, and is in a good state of cultivation, having all been limed. The improvements are a Two-story STONE HOUSE; a large and good Bank Barn with Wagon Shed and Corn Crib attached; Carriage House, Hog Pen, Smoke House, &c. There are two good Apple Orchards on the premises, with an abundance of other fruit trees and vines.

No. 2.—A FARM, situate in Franklin township, Adams county, 1 mile east of Cashtown, on the road leading from Mummasburg to Chambersburg, adjoining the *Mansion Farm*, and adjoining lands of John Burt, Peter Comfort, and others, containing 109 ACRES, more or less. The improvements consist of a large and very superior Bank Barn, just finished, and a commodious BRICK HOUSE in course of erection. It is expected that the House will be completed by the day of sale. There is an Apple Orchard thereon, with a variety of other fruit trees. A part of the land has recently been limed. The outside fences are good. There is a sufficiency of Meadow and Woodland. This place will in a few years become one of the most beautiful and attractive homes in the country. Pleasantly and beautifully located in one of the finest farming regions in the State, this Farm offers a rare chance to capitalists.

No. 3.—A TRACT OF CHESTNUT TIMBER land, lying in Franklin township, adjoining lands of John Hartman, and Moses Hartman, Esq., containing 12 Acres, more or less.

No. 4.—THE MANSION FARM, situate in Franklin township, Adams county, 1 mile northeast of Cashtown, on the old Menallen road, adjoining lands of John Deardorff, Peter Shull, and others, containing 318 ACRES, more or less, about one-third of which is in excellent Timber, such as Chestnut, White and Black oak, Rock oak, Poplar, &c.

The improvements are a large Two-story DWELLING, one part of stone, and new, and the other log and Weatherboarded. The old part has been recently repaired and repainted, and is now as good as new. The Barn is Bank, very large and good. It has recently been very much enlarged and improved, and will now stable from 18 to 20 horses and as many cows. There is a very large Wagon Shed and Corn Crib attached. The out-buildings are a Carriage House, Spring House, Wash House, Smoke House, Blacksmith Shop, &c. The land has nearly all been limed once, and some twice, and is now in the highest state of cultivation. It is generally conceded that this is one of the best and most productive farms in the county. Nearly every field has either a spring or a stream of running water in it the year round. Hence it is well adapted for stock raising and dairy purposes. The farm is under good fencing. There are three excellent Apple Orchards on the premises, with an abundance of Peach, Cherry, Pear and other fruit trees. Fruit seldom fails here. This Farm need only be seen to please—*rarely does one like it get into* market.

Persons wishing to view Farm No. 1 will please call on Mr. C. Snyder, its occupant, or Aaron Sheely, residing in Gettysburg, and those wishing to view the other properties will call on the family of said decedent, residing on the Mansion Farm.

☞Farm No. 1 will be offered on the premises, at 1 o'clock, P. M., on Friday the 12th, and the other properties will be offered on the premises, at 10 o'clock on Saturday, the 13th day of October, when attendance will be given and terms made known by

The Great Bone Fertilizer.

BAUGH'S
RAW BONE PHOSPHATE,

containing 53 per cent. of Phosphate of Lime, and 5.05 per cent. Ammonia.

It should be borne in mind that the Phosphate of Lime in this article being obtained exclusively from RAW BONES and a TRUE BIRD GUANO, there is NO PORTION of it INOPERATIVE, as in the case of SUPER PHOSPHATES made from MINERAL GUANOS—but being entirely SOLUBLE in the SOIL, continues to IMPART its FERTILIZING qualities to the CROPS for YEARS.

The REMARKABLE SUCCESS which has attended its use for years past; is a sufficient GUARANTY to induce those who have not tried it to do so.

The GRAIN CROP where this FERTILIZER has been applied is supposed to have been INCREASED from 25 to 50 per cent. by its use, while for TOBACCO and GRASS LANDS its success has been EQUALLY DECIDED.

The price in Baltimore is uniform with the Manufacturer's Factory Price.

Soluble Pacific Guano.

200 LBS. SOLUBLE PACIFIC GUANO contains 70 lbs. *animal matter*, yielding 7 to 8 lbs. *ammonia*.

Also 80 to 90 lbs. *earthy bone Phosphate of lime*, 30 lbs. of which are *soluble phosphate*.

It combines all the advantages of the *best brands* of Super Phosphate, with those of Peruvian Guano.

By reason of its greater *concentration*, we recommend 20 per ct. less by weight to be used per acre, than of any fertilizer costing the same per ton; and no more per acre than of those selling at 20 per ct. more per ton.—Hence *its economy*.

This guano weighs 65 lbs. per bushel, hence in applying it farmers must be governed by weight and not by bulk, for it is much lighter than the Super Phosphates. *Every cargo duly inspected.*

JOHN S. REESE & CO,
GENERAL AGENTS FOR THE SOUTH,
71 *South Street, Baltimore.*

"Flour of Bone."

WE will give a *money* guarantee of the *purity* of this article. It is pure *unsteamed, unburnt bone*, reduced to the *fineness* of *flour*, which adds 100 per ct. to its value. It is as *quick* and *active* as acid *dissolved bone*, hence its value is vastly greater, because it contains neither acid nor water, which necessarily add weight, and reduce the quantity of valuable elements. We recommend 250 lbs. to be used in place of 300 lbs. Super Phosphate or dissolved bone.

THE PERUVIAN SYRUP

IS A PROTECTED SOLUTION OF THE

Protoxide of Iron,

a new discovery in medicine which STRIKES AT THE ROOT OF DISEASE, by supplying the Blood with its VITAL PRINCIPLE, OR LIFE ELEMENT—IRON.

This is the secret of the wonderful success of this remedy in curing

DYSPEPSIA, LIVER COMPLAINT, DROPSY, CHRONIC DIARRHŒA, BOILS, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Disease of the Kidneys and Bladder, Female Complaints, and all diseases originating in A BAD STATE OF THE BLOOD, or accompanied by DEBILITY, or a LOW STATE OF THE SYSTEM.

Being free from Alcohol in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor and new life into all parts of the system, and building up an IRON CONSTITUTION.

DYSPEPSIA AND DEBILITY.

From the Venerable Archdeacon Scott, D. D.

DUNHAM, Canada East, March 24, 1865.

* * * "I am an inveterate Dyspeptic of more than 25 years' standing."

* * * "I have been so wonderfully benefitted in the three short weeks during which I have used the Peruvian Syrup, that I can scarcely persuade myself of the reality. People who have known me are astonished at the change. I am widely known, and can but recommend to others that which has done so much for me."

One of the most DISTINGUISHED JURISTS in New England writes to a friend as follows:

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a NEW MAN of me; infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

An EMINENT DIVINE of Boston, says:

"I have been using the PERUVIAN SYRUP for some time past; it gives me new vigor, buoyancy of spirits, elasticity of muscle."

☞THOUSANDS have been changed by the use of this remedy; from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A pamphlet of 32 pages, containing certificates of cures and recommendations from some of the most eminent physicians, clergymen, and others, will be sent FREE to any address.

"WISTAR'S BALSAM OF WILD CHERRY gives universal satisfaction. It seems to cure a Cough by loosening and cleansing the lungs, and allaying irritation, thus REMOVING THE CAUSE, instead of drying up the cough and leaving the cause behind. I consider the Balsam as good as any, if not the best, Cough medicine with which I am acquainted."

The Rev. JACOB SECHLER, of Hanover, Pa., well known and much respected among the German population of this country, makes the following statement for the benefit of the afflicted:

Dear Sirs:—Having realized in my family important benefits from the use of your valuable preparation—WISTAR'S BALSAM OF WILD CHERRY—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health.
